

Website Development Agreement

DEVELOPMENT

You are the site owner and you are choosing Neofilm Productions (herein referred to as "we", "us", "our", and/or "Neofilm") to design the website that may be displayed to the World Wide Web and all that have access to it. You are requesting us to put information and any other forms of content about you, and/or your business, or other entity related to you or not related to you on this website and/or any other sites by or not by use. We are absolutely not responsible for any of the content on your site at anytime. The site is completely owned by you. You are giving us permission to use it as we see fit. You will be required to pay for the website we develop for you. You may obtain a copy of your website by requesting one from us (shipping, handling, and other fees may apply). The domain, hosting, and website are two separate items. The website that is yours, which we are developing but you are ultimately responsible for, is referenced by the domain name indicated herein at the time of this agreement. However, this agreement refers to your website indefinitely regardless of the fate of said domain and/or any other future domain names that may point to your website at any time. You, the website owner, give us full rights to use your website in anyway at anytime for any reason determined by us.

This agreement is for _____ amount of pages to be created. We may work with you on the design, layout, additional pages, content changes, etc... at our own discretion. The initial cost for this service is \$_____ and you will pay this in full by this date: _____.

DOMAIN NAME

We may use more than one domain name at anytime for this site. Each domain name is \$14.99 a year. The domain name(s) you would like Neofilm Productions to use that may be available to point at your site are:

www. _____ www. _____ www. _____

EMAIL

We may create a custom email account that uses an above domain name:

- Enter what you would like the email address to be _____@_____.
- You may access the email by typing "www.email.saiddomain.com" in the url (typically located at the top of your browser window where you see the preface http:// before a domain name). At the email login page you will need to put in the username (which is the beginning of the email address) _____ and the password _____

If you would like to send & receive emails using this email address through your Outlook we may assist you with setting this up one time. Additional emails addresses may be set up as well. However, additional fees may apply for more than one email address. For information on how to set up the email to be checked from your computer or device go to www.NeofilmProductions.com/emailsetup.pdf

HOSTING

Your website will be hosted through www.NeofilmProductions.com. Hosting refers to where your website files reside and where those files are displayed from to the World Wide Web. The cost for this service is \$14.99 a month.

PAYMENTS

To set up subscription payments so that Neofilm may point said domain(s) to your website and host it go to www.NeofilmProductions.com/payments.html. Select the options at the bottom of that payment page titled "\$14.99 Basic: hosting" and "\$14.99 domain name". If at any time payment is delinquent then the site may be taken down until payment is resumed. Furthermore, Neofilm may discontinue hosting at any time or left up for any reason at our discretion.
